Technical Skills

- Core Java
- C++, C
- HTML5, CSS, Java script

Soft Skills

- Time management
- Communication
- Problem Solving
- Adaptive

Language

English
Hindi

Hobbies

- Art and Craft
- Travelling
- Meditation
- Cricket
- Music

Summary

Recent Bachelor of Computer Applications (BCA) graduate with a solids foundation in computer programming languages such as Core java, C++ and C, with hands-on experience in web development using HTML, CSS and Java script. Demonstrated ability to learn new technology quickly and effectively. Seeking an entry level position to apply technical skills in a dynamic organization.

Education

Bachelor of Computer Applications   2021-2024

Maharshi Dayanand University, Rohtak

Experience

Summer Internship   Mar2024-Mar2024

Code Alpha

Works as a trainee in I.T department and perform tasks as per the instructions of Code Alpha supervisor.

Projects

- Developed a Tic Tac Toe game using java script.
  - Implemented user interface with HTML/CSS.
  - Designed game logic to handle player moves, win conditions and reset functionality.
  - conducted testing to ensure functionality and fix bugs.
- Developed a Banking System using core java incorporating the four pillars of OOP's : encapsulation, inheritance, polymorphism and abstraction. The project demonstrates strong object-oriented design and programming skills.
